BELIEVE

Group Covenant

I, _____

Covenant with BELIEVE group to do the following:

1. Complete the **BELIEVE** reading assignment each week before the group session
2. Pray regularly for my fellow group members
3. Participate in all group sessions unless urgent circumstances beyond my control prevent my attendance. When unable to attend, I will make up the session at the earliest possible time with the group leader or with the assigned group member.
4. Participate openly and honestly in the group sessions.
5. Keep confidential personal matters shared by others in my group
6. Be patient with my Christian brothers and sisters and my church as God works in us all to make us what He wants us to be. I will trust God to convince others of His will. I will not try to manipulate or pressure others to do what I think is best. I will simply hear witness of what I sense that God may be saying to us and watch to see how the Spirit uses that witness.
7. Pray at least weekly for my pastor and my church
